BIDDER ACKNOWLEDGES RECEIPT OF ADDENDUM #1: _____

COMPANY NAME

All bidders are hereby advised of the following amendments to the contract bid documents which are hereby made an integral part of the specifications for the subject project, prepared by the City of Middletown to the same extent as all other documents. All work shall conform to the standards and provisions of same. Bids submitted shall be deemed to include contract document information as shown in Addendum No. 1. General bidders shall notify sub-bidders that may be affected by this addendum as applicable. **Bidders shall be required to acknowledge receipt of this addendum.**

Failure to acknowledge receipt of this addendum by the bidder may result in the rejection of their bid. Bidders are directed to review changes to all portions of the work as changes to one portion may affect the work of another.

Total Addendum: 2 pages

*****BIDDER NOTE:** If you have already submitted a bid you shall be required to acknowledge receipt of this addendum under separate cover in a sealed envelope clearly marked with the bid number and description. This acknowledgment must be received by the time and date specified to be accepted by the City.

Donna L. Imme, CPPB
Supervisor of Purchases

ADDENDUM #1 RFP #2016-020
RADIO COMMUNICATION UPGRADE
CENTRAL COMMUNICATIONS DEPARTMENT

City Funds will be utilized for this project, therefore, Item #22 of the General Conditions titled **"DAS Prequalification Certificate and DAS Update (Bid Statement)"**... requirement does not apply. The RFP document and has been revised to reflect this change.

Submitted Questions and Responses:

1. What site does Middletown currently use today as their primary transmit site for each agency?
169 Cross Street.
2. Would the City consider an initial FDMA system with the ability to migrate to TDMA in the future?
No. TDMA is required.
3. Besides accommodating antenna systems for Middletown agencies, what additional growth requirements does the city have for the new towers (ie to allow other municipalities, State agencies, etc to use towers)?
100% growth required for towers.
4. With regards to outdoor location capability, would the City entertain location display on the existing CAD system versus a standalone workstation with an integrated mapping application?
Stand-alone is preferred.
5. What fuel source does the city require for the nine generators? What size fuel tank?
Propane w/1000 gallon tank.
